Dear

Jackie and I want to thank you for your financial support of our family and ministry during July. It was one of those months when every dollar was doubly appreciated!

Our ministry is entering a new phase, and a time of expansion, as the Lord is leading us into the ministry of mobilizing churches into intercession on behalf of cities, states, and nations.

I believe, along with many others, that God's heart is for major revival in our nation (and all nations)! Revival not only brings a harvest of souls, but changes drastically the moral and spiritual climate of the communities affected by such an outpouring of the Spirit.

We intend to follow the Lord completely in serving His call to the churches to gather in the unity of the Spirit to pray for revival and world evangelization.

We consider you to be our partners in this call on our lives, and have received your love gifts with joy and praise to the Lord! May He bless you in return many times over!

In Christ,

John and Jackie
