Dear

Jackie and I want to thank you for your financial support of our ministry during the month of December. Each gift that came to us was especially significant in its timing. We have been learning to trust God "one day at a time", and this lesson was very real during this past month.

Certain gifts that came to us even up to two days before Christmas were the provision needed to place a few presents under the Christmas tree!

We are still believing God for the completion of the financial miracle needed in this ministry. We have recieved your part in it with great appreciation, and an awareness that for many of you, it was given with real sacrifice.

We want to remind you that, for tax purposes, you should give to us through your church mission fund, or to Church Upon The Rock mission fund.

May the New Year remind you that the mercies of the Lord are brand new!

*"Forgetting what lies behind, and reaching forward to what lies ahead, (let's) press on toward the goal for the prize of the upward call of God in Christ Jesus." Phil. 3:13,14*

With thankful hearts,

John and Jackie
