Dear

Jackie and I want to thank you for your financial contribution to our ministry during the last several weeks. It has been a busy and somewhat tumultuous time for us, and a continuing experience of "new beginnings", as we seek to follow the Lord in the ministry of prayer mobilization.

We are convinced that God's call to united and persistent intercession for our nation and the nations of the world is urgent and strategic to His great purposes for the church. It is our "time of visitation", a prelude to revival, and God is urging us all into the prayer room.

We believe God wants to raise up a full-time office of intercession here in the Twin Cities, a cooperative effort by the churches of Minnesota. Your continued giving to this prayer mobilization ministry will help release such a dramatic breakthrough, which we believe can take place in the near future.

To say that we need and appreciate your gifts would be an understatement! The enemy has battled against us in the financial area; but God is giving us victory, which comes through the loving and sacrificial gifts of friends like you.

Paul wrote in 2 Corinthians 9:10,11:

"Now He who supplies seed to the sower and bread for food, will supply and multiply your seed for sowing and increase the harvest of your righteousness;

You will be enriched in everything for all liberality, which through us is producing thanksgiving to God."

It is important to ask the Lord what portion of your income is seed to be sown in the work of His kingdom, and what part is bread for food, that is, for your own needs.

Thank you for your love and faith agreement with us, and for responding to the leading of the Holy Spirit. Your giving is surely producing in us much "thanksgiving to God"!

Yours in Christ,

John and Jackie
