

Dear friends,

By God's grace we'll be leaving **Thursday, June 1** for a five week ministry trip. YIPES! That's just three weeks away!

"Father, we need a miracle!"

Here is a summary of our itinerary.

India, June 3-22:

First we head to Menali, 17 hours by bus north of Delhi --high in the Himalaya mountains. We will speak at the Youth With A Mission North India Staff Conference, with 80-120 YWAM mission staff, both Indian and international, in attendance. These are all pioneers who work in the spiritually darkest regions of India. They desire renewing, refreshing, and a powerful new filling of the Spirit!

"Lord, may we help release Your fresh anointing!"

Following this conference we will go to Varanasi or Trivandrum, and then Madras. Plans are in motion, and not yet finalized.

"Father, have Your way with us in India.."

France, June 23-27:

To Guebwiller, eastern France, visiting Don and Sue Freeman, our missionary friends, and the young church that they are pastoring. France is spiritually a very dark place, but the Spirit is beginning to move there too!

"Father, bring great encouragement to Don and Sue."

Ukraine, June 28-July 6:

A return to Krivoy Rog, where a fourth new church is now being planted. Meetings with churches and pastors will fill the time.

"Father, pour out a great blessing on these young churches in Ukraine!"

By God's grace we will return home on **Friday, July 7**.

Please pray for:

- * finalization of the ministry schedule
- * approval of visas for India and Ukraine
- * preparations to leave
- * health and strength to carry out the strenuous schedule
- * full financial provision (most of it is still needed...quickly!)
- * the anointing of the Spirit on the ministry
- * our children while we are gone
- * safety in travel

We are trusting the Lord to supply all that is needed for us to go. Though the time is short -- and most of the money needed has not yet come -- we have a still, small voice that says we are going and that every need will be met. Please pray with us for the full release of all that is needed.

"Father, we place ourselves in Your care."

A great big thank you-- to you who support us in prayer and to you who support us financially. May you also receive all that you need from Him in the days ahead. He is El Shaddai, the God of plenty, the One Who is "More Than Enough"!

With Love,

John and Jackie
