...a prayer letter from John and Jackie

August 24, 2005

Dear friends,
Jackie and I greet you again in the Wonderful Name of Jesus. As always, we count it a great honor that you read our letters, pray for us and support this ministry.

It's been nearly twenty years since we left local church pastoral ministry. Without friends in Christ such as you, we would never have been able to continue. Of course, our hope and dependence is in the Lord Himself, and it is His covenant keeping faithfulness that is our foundation. It is the same for you.

Nevertheless, He is the head of His body, and we are members of that body. He works through the members; and we, the members of His body, care for one another. Thank you for your care for us.

Event #1: The Blood Covenant Seminar, Sept 29 – Oct 1...

You will notice an enclosed flyer for our upcoming meetings on The Blood Covenant, Sept. 29 – Oct 1 at Triumphant Faith Christian Center (just 30 minutes north of downtown Twin Cities in Ham Lake, MN)

We would love to have you attend, and to bring others who have a desperate need for God. Even if you are not in our city, it would be worth it to drive or fly in for these meetings!

Though we've ministered on this grand subject countless times in Ukraine, this is the first time we've done it this way in America.

The Blood Covenant is God's foundation for faith, for healing, and for every other blessing! We are expecting His refreshing presence in these meetings. We will worship, spend lots of time in the Word, and celebrate the Lord's Supper. We'll also pray for the sick and for all who need a breakthrough and a fresh drink of the Spirit.

There is no charge and no registration for this Blood Covenant seminar.

If you are too far away or unable to attend, we can come to where you are and do the same event. We'll go anywhere in the world to preach this glorious gospel of Jesus to anyone!

Event #2: Gregory and Galina are coming Oct. 1!
Gregory and Galina Sukhina are our close friends and apostolic leaders of the Churches of Praise, headquartered in Krivoy Rog, Ukraine. Each of them pastor a large church, and they with us lead the association of several hundred young Churches of Praise which are spread

through half the provinces of Ukraine as well as in several other countries.

Please pray for favor with the United States Embassy in Kiev, that Gregory's and Galina's visas will be granted. They will be accompanied by their daughter Anya, who will be their translator.

Churches of Praise continue to grow...

The church planters and pastors report continued growth. A great number of people are coming to the Lord, many are being healed, and new churches continue to open.

The opportunity to finance church planting is also abundant! Please agree with us for a major release of money to keep the church planters moving. Several thousand dollars more each month is needed to keep up with the expansion.

The Ukrainians themselves give sacrificially to the work. The vision is self-supporting churches. Our part (as you help us to help them) is temporary financial assistance to get the churches planted, plus investing in the continuous training of new leaders.

Thanks!!

Thanks for your partnership!!
Thanks for doing whatever the Lord tells you to do. Ask Him to do something beyond what any of us can do!

Thanks also for agreeing with us in prayer for our family. We are able to continue to serve the Lord's harvest through the support of friends. We are trusting God for great breakthrough at the home base, as well as among the Churches of Praise.

We carry you in our hearts, believing God for you, your family, and your ministry. Remember, He is completely faithful to His character and His promises. Keep yourself rooted in your confidence of His love, His goodness and His mercy that never ends.

All His plans for you are good ones. "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Jer. 29:11 NIV Receive continually His abundant grace -- for yourself, you family, your work, and your labors in Christ.

With love,
John and Jackie
